

MAKING THE GREAT OUTDOORS EVEN GREATER

TRANSFORM YOUR YARD WITH
OUTDOOR PROPANE AMENITIES.
DISCOVER HOW.

CLEAN, CONVENIENT FUEL FOR YOUR BACKYARD GETAWAY.

The grill is just the beginning. The right propane amenities can transform your plain backyard into the envy of the neighborhood. Start imagining the possibilities.

Full Outdoor Kitchens are the ultimate entertaining experience, with an outdoor rotisserie, cooktop, grill, and more, powered by your home's main propane supply.

Fireplaces and Fire Pits deliver the warmth and flicker of real flames with no cleanup and no firewood to store.

Flame Lighting creates an unforgettable effect and works anywhere from walkways to patios.

Patio Heaters can raise the temperature by up to 30 degrees Fahrenheit, so a chill won't stop you from enjoying your backyard retreat.

Pool and Spa Heaters keep water at the desired temperature more efficiently and effectively compared with electric heaters.

Propane grills heat up fast, so you spend less time preparing food and more time enjoying it.

STOP DREAMING, START PLANNING.

Propane is a clean, safe, and reliable way to create the backyard you've always wanted. Learn more about better outdoor living with propane at propane.com/residential.
